

Portable Solar Light & Charger

Solar Mobile

home lantern – portable torch – emergency light – phone charger - FM radio

Solar Mobile is a handy, multi-purpose solar system:

- indoors, for off-grid households:
a basic home lantern
- indoors, for grid-connected households:
an emergency light, for any power outages
- outdoors: **a battery-free torch**
- car travelling: **a portable light, for any emergencies**
- everywhere: **a zero-cost phone charger**
- embedded **FM radio**

Thanks to the adjustable intensity of the light output, Solar Mobile can fulfil any lighting and battery duration needs.

**BATTERY-FREE
TORCH LIGHTING,
FOREVER!**

**PHONE CHARGING
FOR FREE,
FOREVER!**

FM RADIO
